# The Facts about Mobile Deposit

### Convenient, No-Hassle Banking:

No more daily trips to the bank. Deposit checks right from your approved mobile device.

### Save Time:

No more struggling to find time to run to the bank. Make deposits 24/7 anytime it's convenient for you.

### Improve Cash Flow:

No more checks piling up. Get them to the bank and turned into cash as soon as possible.

### Peace of Mind:

More time, more productivity, better cash flow. With Mobile Deposit, banking is just one less thing to worry about.

### Security:

Mobile Deposit utilizes state-of-the-art SSL and 256-bit encryption technology to ensure your deposits transmitted safely and securely.

### Easy Record-Keeping:

Statements are available online and your deposits are recorded within one banking day.

### Easy Installation and Use:

We'll provide you directions to download our Mobile Deposit app and register your device. From there it's just a matter of selecting an account, entering the amount of the check, taking a picture of the front and back of the check, and pressing "deposit". It's that fast and easy!

*"Now my bank is open around the clock and I make deposits on my schedule. Talk about convenience and service!"*
